WHO WE ARE

Since 1933, the Humane Society of Memphis and Shelby County has been providing shelter, food and medical care for thousands of injured, neglected and abused animals. And for just as long, people like you have kept us going.

Thousands of animals are neglected or abused in Memphis and Shelby County each year. Hungry, scared and injured, these animals face a bleak future. That's where we come in.

TOTAL INTAKE
FOR 2015

Fred and Ethel. Adopted Sept. 2017

Our hope is that every animal in our care will end up with a happily ever after. On average, we provide sanctuary to over 300 animals at our facility at any given time, with dozens more placed with foster families until they are ready to be adopted. We are dedicated to giving these animals a brighter future.

"I found my two most precious loves here. They are kind and friendly people working only to make sure the animals have the best lives possible. I will adopt here every time!"
